

# Welcome to The Landscapes - Lake of Bays

Your own four-season vacation cottage / villa residence awaits you on Lake of Bays in magical Muskoka. Fractional ownership of your luxurious residence means that you share ownership but have exclusive rights to it and all of the resort amenities five weeks of every year. Your ownership will be in perpetuity and it may be sold, transferred or left to your heirs. Start your own cherished family tradition by making Muskoka memories at The Landscapes - Lake of Bays.

Located just two hours north of Toronto, your beautifully appointed, fully furnished and equipped cottage has three bedrooms that include a main floor master and private ensuite. The villas have either two or three bedrooms plus a den. The residences are architecturally designed and professionally decorated to a very high level of quality and luxury. Each unit is designated as either "pet free" or "pet friendly".

Experience the pride of Muskoka cottage ownership without the worry and chores of maintenance. Just walk in and relax. You're home.
